

SEPTEMBER 28th, 2015

10.00 - 12.00

Pre-Congress Course on Laparoscopic Basic Skills and E-blus exam training (D. **Veneziano**)

13:00

Registration

14:00

Welcome and introduction to the meeting:

Prof. Giuseppe **Vespasiani** (Honorary President – Urology Section)

Prof. Giuseppe **Tisone** (Honorary President – Transplant Section)

Prof. Giuseppe **Novelli** (Rector University of Rome Tor Vergata)

Dr. Tiziana **Frittelli** (General Manager Policlinico Tor Vergata Foundation)

Prof. Antonio **Rizzotto** (Regional Delegate Italian Society of Urology-SIU)

Prof. Giampaolo **Bianchi** (President of Italian Endourological Association - IEA)

Prof. Franco **Citterio** (President of Italian Society Organ's Transplant - SITO)

Dr. Michiel **Seedelar** (EAU – Young Urologist Office)

Dr. Fernando **Kim** (ITRUST Founder and President)

Dr. Giuseppe **Iaria** (Director of the ITRUST Meeting – Transplant Section)

Dr. Pierluigi **Bove** (Director of the ITRUST Meeting – Urology Section)

14.30 – 15.00

Up-date on ITRUST Meeting 2014

Update on Live Surgery from the 1st ITRUST Meeting 2014 (R. **Miano**)

Update on advanced, metastatic and castration-resistant prostate cancer:
the right patient for the right treatment (C. **De Nunzio**)

15.00 – 18.00

Transplant session

LIVING DONOR NEPHRECTOMY LECTURES:

15:00 – 15:20

How to identify the right living donor kidney (F. **Citterio**)

15:20 – 15:40

Minimally invasive living donor nephrectomy:
evolution of the technique from a pioneer's point of view (L. R. **Kavoussi**)

TRANSPLANT ARENA: HOW A LIVING DONOR NEPHRECTOMY HAS TO BE DONE: 15 MINUTES TO CONVINCE ME!!!

Moderators: G. **Tisone**, R. **Ahlawat**, A. **Anselmo**, F. **Kim**

Discussant: L. **Poli**, M. **Rossi**, M. **Iappelli**, J. **Romagnoli**, A. **Collini**

Open (V. Papalois)

Hand-Assisted (R. Cacciola)

Laparoscopic (L.R. Kavoussi)

Robotic (J. Hubert)

Conclusions: any real difference? A tailored procedure or just:..... “I do what I know!!!” (G. **Tisone**)

17.00 – 17.40

LECTURES:

Renal Transplant in children: is there any role for minimally invasive technique? (N. **Capozza** - P. **Caione**)

Robotic Transplantation: introduction to the technique (R. **Ahlawat**)

Role of Phytotherapy for the treatment of BPH in the kidney transplant recipient (C. De **Nunzio**)

17.40 – 18.00

Presentation of live surgery cases

20.00

Faculty Dinner

SEPTEMBER 29th, 2015

8.00 - 13.30 **Live Surgery**

Moderators: L. **Kavoussi**, V. **Pansadoro**, R. **Cacciola**, B. **Rocco**

Operating Room Coordinators: E. **Finazzi Agrò**, S. **Germani**

OPERATING ROOM A

Laparoscopic Living Donor Nephrectomy

Operator: A. **Breda**

LECTURE:

Italy-Spain Crossover Transplant Program (A. **Breda**)

OPERATING ROOM B

Robotic Transplant

Operator: R. **Ahlawat**

13.30 - 14.30 **Lunch**

14.30 - 15.50 **Kidney Cancer Arena: Small Renal Mass Management**

Moderators: L. **Cindolo**, A. **Breda**, S. **Micali**

Active Surveillance (A. **Volpe**)

Laroscopic (F. **Porpiglia**)

Robotic (A. **Minervini**)

Cryoablation (F. **Kim**)

Conclusions: A. **Celia**

15.50 - 16.20 **LECTURES:**

Update on imaging for small renal masess (J. **Hubert**)

RECORD: The Italian Registry for Renal Cell Cancer Treatment (R. **Schiavina**)

16.20 - 17.00 **Live Surgery**

Moderators: F. **Kim** - A. **Celia**

CT-Guided Renal Cryoablation of a small renal mass

Operators: S. **Masala** - R. **Fiori**

17.00 - 18.00 **ITRUST Award Video Session**

21.00 **Gala Dinner with live music session: do not loose it!**

SEPTEMBER 30th, 2015

8.30 - 9.00

A corner for the Urologist in training:

Partial Nephrectomy Step by Step Technique (P. Bove)

9.00 - 11.00

Live Surgery

Moderators: A. Tubaro, R. Schiavina

Operating Room Coordinators: E. Finazzi Agrò, S. Germani

OPERATING ROOM A

Robotic Partial Nephrectomy

Operator: A. Minervini

OPERATING ROOM B

3D Laparoscopic Partial Nephrectomy

Operator: F. Kim

11.00 - 12.00

NEPHRON SPARING SURGERY: OPEN QUESTIONS

Moderator: G. Bianchi

11.00 - 11.15

Training Programs (D. Veneziano)

11.15 - 11.30

Minilaparoscopy (F. Porpiglia)

11.30 - 11.45

Where do we really stand with LESS and NOTES? (R. Autorino)

11.45 - 12.00

To Clamp or not to Clamp? Presentation of the CLOCK study from the AGILE Group (A. Antonelli)

12.00 - 12.30

LECTURES:

New medical treatments for metastatic kidney cancer (Oncologist to be define)

Post treatment Imaging follow-up (Radiologist to be define)

Conclusions

Acknowledgements
